SIR,

I have the honor to forward herewith letter No 101 dated 12-11-24, together with its enclosures received from the President, Bowringpet Municipality, in regard to the grant of one year's advance of pay amounting to Rs 780 to Mr G Venkatasubbaiya, Sanitary Inspector, Bowringpet Town, for constructing a house at Bangalore

2. It will be seen from the President's letter that the Council have in their meeting of the 8th November 1924 resolved to recommend the grant to Government for sanction and to meet this charge from their closing balance A glance at the sanctioned budget for 24-25 will show that their closing balance is already below the minimum and the proposal of the Council, if approved, wil further encroach upon it I would, therefore, suggest another source from which this expenditure may be met without trenching upon the balance Under "D Public Works - Carried out by Civil Department" against "compensation", a sum of Rs 1,000/- is provided, and looking at the actuals for 22-23 and the revised figure for 23-24 considerable savings could possibly be expected under that head and the proposed advance of Rs 780 may conveniently be debited to it

3. As Government have been pleased to extend the privilege of granting House-building advance to the employees of Local B
